

# Netherlands ↔ Poland specialist in groupage and distribution

## Ready for a more cost-effective groupage solution?

Whether your shipment goes from The Netherlands to Poland or vice versa, with over 90 years of logistics experience, Axell Logistics offers a reliable and scalable groupage solution. With our own trucks, strategically located hubs, cross-dock-equipped warehouses, and fixed international departure schedules, we guarantee maximum control, predictability, and short turnaround times.

We combine in-depth logistics knowledge with hands-on experience in international distribution. The result? Lower costs and smarter groupage deliveries!

## Performance that inspires trust

- ◆ 240,000–300,000 pallets per year between The Netherlands and Poland
- ◆ 42,000–48,000 shipments per year – efficiently and precisely scheduled
- ◆ 98%+ delivery reliability
- ◆ 50 active customers, including leading European brands
- ◆ Own fleet, own people, own facilities – no intermediaries

## What's in it for you?

- ✓ Faster delivery
- ✓ Lower transport costs
- ✓ Reduced risk of damage
- ✓ High delivery reliability
- ✓ Scalability & flexibility

## Our solution at a glance

### ◆ Nationwide coverage

- BE, NL & PL
- Daily distribution via our GRP network in both countries.

### ◆ International linehaul

- Axell trucks drive daily NL↔PL with full control over timing and quality.

### ◆ Fixed international departure schedules

- Transparent routes and delivery times aligned with your supply chain.

### ◆ Fixed lead times schedule

- Keep your deliveries on track, every time.
